

Site is located at the actual maintenance building OD8 or LMS8 closed to existing Oxygen Plant no.3 (also called Ferox oxygen plants)

Coordinates of entrance of site are : **48°36'51"N and 21°11'15"E**

The yellow line represents the road between Gate 4 (truck entrance) and the site in direct line.

The yellow line is only to show the location of the new plot of the ASU plant (Gate 4 is not practicable for our heavy transports due to the next undercrossing with 4,3m max height) – Other gate 1, 2 or 3 are more favorable.
