

Technical documentation

1. Delivery documents
 - Delivery note , Packing list
2. Technical data of the arc suppression coil – serial No.: 6213
 - Technical data : E500020 Sheet 1/ 4
3. Test reports
 - Routine test report
 - Routine pressure test report
 - Anticorrosive protection test report
4. General operating instructions for arc suppression coils
 - packing and transport
 - storage
 - site installation
 - ASC connection
 - putting into operation
 - ASC current adjustment
 - maintainace and revisions
5. Equipment/Dimensional drawing/ Rating Plate
 - Equipment E500020 Sheet 2/4
 - Dimensional drawing E500020 Sheet 3/4
 - Rating plate E500020 Sheet 4.1.1/4
 - Rating plate E500020 Sheet 4.1.2/4
6. Catalogue sheets/ brochures, wiring diagram
 - Motor drive MD1 , Made by EGE, wiring diagram No.: 3 – 219282
 - Connex Transformer bushing, f. Pfisterer, cat. No.:827158001
 - Current instrument transformer STE 10, f. Transenergo
 - Liquid Level Gauge, f. Qualitrol
 - Buchholz Relay BF 25/10, f. EMB Barleben
 - Thermometer Messko MTA F 100, f. Messko
 - Thermometer case DIN 42554 f. EGE
 - Dehydrating Breather f. Maier
 - Outlet valve DN15, f. Herose
 - Transformer oil Shell Diala D
7. Picture
 - Arc suppression coil – complete
